YAY –THE POOL IS OPENING!!

The swimming pool is planning to open this summer and it is in need of a little TLC. A fundraiser group is working on some great ideas to help off—set the cost. Ideas for fundraising include a bake sale, bingo, raffle of meat and more. Look for these activities in the very near future.

Also, cash donations will be greatly appreciated and can be given to the village office. Any suggestions for fundraising ideas or if you like to volunteer you can contact Deb Clingan at (720) 642-0192.

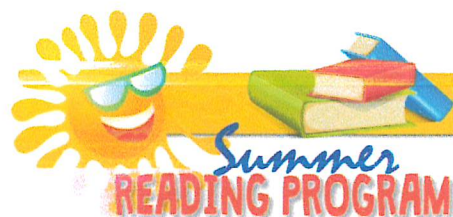

Some of the ideas we are looking at to purchase would be a pool cover, new benches, tables with umbrellas and pool toys. Thanks so much Stratton Community.

*Congratulations to the
2025 Stratton graduates:*

PLEASE PLAN TO ATTEND

Sponsored by Stratton VFW

Dear Residents of Southwestern Nebraska,

We are excited to announce plans for the expansion and renovation of our Rural Healthcare Clinic (RHC) in Stratton, NE. As the CEO of Dundy County Hospital (DCH), I am reaching out to our wonderful community for support in making this project a reality.

Our Stratton Rural Health Clinic has provided essential services to patients of all ages for decades. It is crucial that we continue to focus on providing quality healthcare in Stratton and surrounding areas through excellent, caring providers and staff, in addition to safe and modern facilities. Communities across Southwestern Nebraska continue to grow closer bonds. One milestone that has proven to be mutually beneficial was the addition of Stratton to the Dundy County school district. Bill Zahl, long-time Stratton Industrial Commission Director, businessman, and contributor to countless projects that have benefited the local community, stands united in our mission to improve access to high-quality healthcare in Southwestern Nebraska.

Why This Expansion Matters:

Improved Patient Care: The renovation will allow us to expand square footage, upgrade medical equipment, and create a safer and more comfortable environment for our patients. Improved facilities will also enable us to operate the clinic more days per week.

Community Well-being: A modernized clinic will help attract and retain skilled healthcare professionals in our area, ensuring that we have the expertise needed to address diverse health concerns. It will also foster a sense of pride and well-being in our community, knowing that we have top-notch healthcare facilities right here at home.

The Financial Challenge:

Critical Access Hospitals (CAHs) like ours operate on extremely thin and often negative margins, making projects like this difficult to fund. Today, 50% of America's rural hospitals are operating in the red. This is the highest percentage of rural hospitals losing money in the past decade. Access to inpatient care continues to deteriorate as 167 rural hospitals since 2010 have either closed or converted to a model that excludes inpatient care. Between

continued next page—

2014 and 2022, 382 rural hospitals have stopped providing chemotherapy services.¹ This financial reality underscores the importance of community support in maintaining and improving our healthcare facilities.

How You Can Help:

We are seeking to raise \$50,000 to fund this vital project. Your contributions, whether big or small, can make a significant difference. Here are some ways you can support:

Donations: Direct financial contributions can be made to the Dundy County Hospital Foundation, earmarked for the Stratton Clinic expansion. The Hospital Foundation is a 501(c)(3) nonprofit organization, meaning that your contributions are tax-deductible. Please email dchfoundation@dchbenkelman.com or call 308-423-4677 to donate. For convenience, donations can also be given to Administration at DCH in Benkelman, NE. These will be routed to the Hospital Foundation as well.

Spread the Word: Share this initiative with friends, family, and local businesses. The more people know, the more support we can garner.

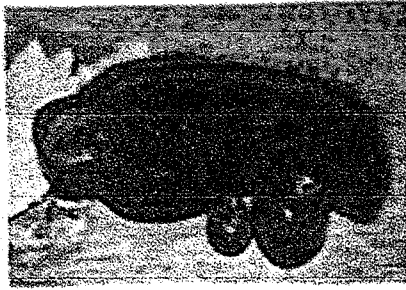

Together, we can ensure that our community continues to thrive with access to exceptional healthcare. Thank you for your unwavering support and commitment to the health and well-being of Dundy County.

Warm regards,

Jeremiah Hanes, Ph.D.
CEO, Dundy County Hospital

Rhubarb Sticky Buns

Ingredients

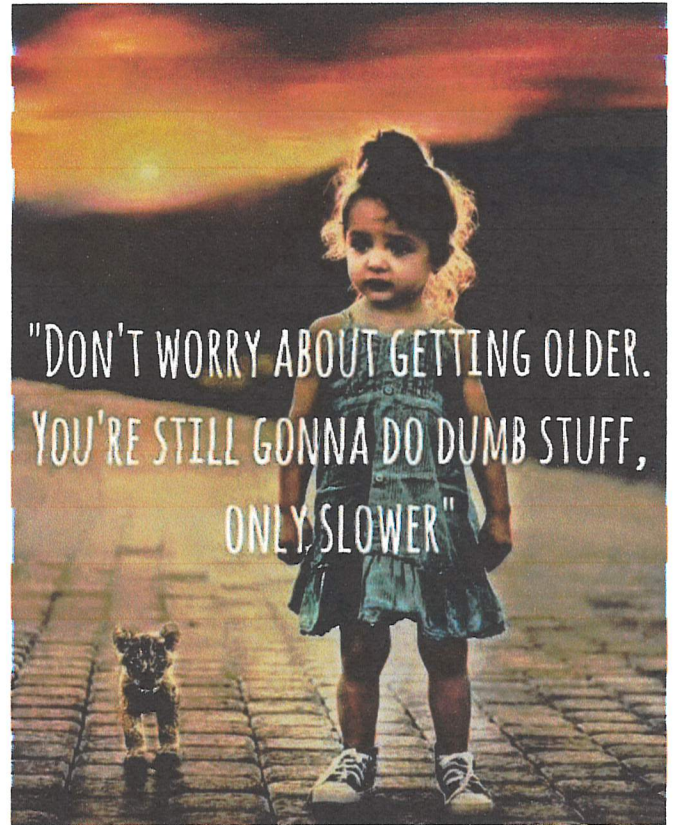

- 1/4 cup cold butter, cubed
- 1/2 cup packed brown sugar
- 1 cup chopped fresh or frozen rhubarb, thawed

BATTER:

- 1/3 cup butter, softened
- 1/3 cup sugar
- 1 large egg, room temperature
- 1-1/2 cups all-purpose flour
- 2 teaspoons baking powder
- 1/2 teaspoon salt
- 1/4 teaspoon ground nutmeg
- 1/2 cup milk

Directions

1. In a small bowl, cut butter into brown sugar until crumbly. Stir in rhubarb. Spoon evenly into 12 well-greased muffin cups; set aside.
2. In a large bowl, cream butter and sugar until light and fluffy. Beat in egg. Combine the flour, baking powder, salt and nutmeg; add to creamed mixture alternately with milk and mix well.
3. Spoon over rhubarb mixture, filling cups three-fourths full. Bake at 350° until a toothpick comes out clean, 15-20 minutes. Cool for 5 minutes before inverting onto a serving

Thank you—To all that came to our Anniversary Party and sent cards. What a memory it will be with family and friends! Thank you to our children and grandchildren for making it happen.

Our 50 Years of Published Books Copyright Challenge is going strong!

We are trying to get books checked out with copyright dates between 1975 and 2025.

We are still trying to get 1975, 1978, 1980, 1981, 1982, 1982, 1985-2000, 2006, 2009, 2015, 2016, 2018, 2020. Come help us out during the month of May.

THE CHAPLAIN'S CORNER

Last month The Corner was about truth and deception and how we need to be careful and not let deception overtake us. We have just been through the celebration of the resurrection of Jesus Christ and was watching a pastor on television as he read a passage of scripture about deception and I wondered about the real cost of the lies. The scripture was; Matthew 28: 11-15. The angel had rolled away the stone that covered the tomb and the Roman guards had fainted; the tomb was empty. The guards told the priests what had happened and the priests paid them a large sum of money to lie and say that the disciples had stolen the body. That story is believed by the Jews even until today. As I heard that scripture, I wondered about the true cost of that deception. Not just the money, but how many souls are there that are not in heaven because of that one lie. The Jews have continued to believe that lie for 2000 years.

Truth is absolute, not relative to the situation. There is an adage that is centuries old that says "All paths lead to God", but Jesus says in John 14: verse 6, "I Am the way, the truth, and the life. No one comes to the Father except by Me." That's really exclusive. Muslims worship Allah, who originally was the moon god Sin, the head god of 360 gods worshiped at Mecca in the Sinai wilderness. Buddhism has no god, it's practices, many inducing pain, are to improve yourself. Hinduism, has so many different things it's hard to describe. As one person described it, it has a caste system, reincarnation and karma. They are the four leading religions of the world. Christianity is the only religion where you don't have to earn your way to salvation. All the other sects, even the ones who call themselves Christian you have to do something extra to get to heaven.

In Judaism the atonement for sin was to give a lamb or goat to the priests, they would slaughter it, sprinkle the blood on the altar and that would cover you for a year, then it had to be done all over again. Then God sent himself as the man Jesus to be the blood sacrifice for the sins of whoever would believe in Him. Romans chapter 10: Vs 9-10, "If you confess with your mouth that Jesus is Lord, and believe in your heart that God raised Him from the dead, you will be saved." You don't earn your way into heaven. You just need to believe in Jesus. Not with your head, but in your heart.
