Freedom Go-Getters 4-H Club – Funds empower youth through hands-on learning, leadership and community service opportunities.

It's funny, isn't it?

How a man can wake up before the sun and still fall behind on time.
How he'll spend thousands of dollars on seeds, fuel, and machines –

just to put food on someone else's table.

He fights weeds, weather, and worry - all before lunch.

While most people are frustrated by five minutes of traffic,
he's already been cussed out by three drivers just for moving

his tractor down the road.

He battles drought with prayer,

floods with faith,

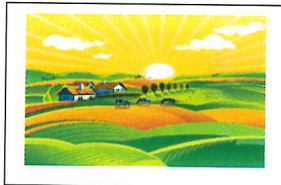

and every day with back-breaking sweat.

Still... he doesn't quit.

Coyotes take the chickens.

Deer wipe out the corn.

Equipment breaks, prices drop, and the bank still wants its payment.

Why?

Because somewhere, a child will open a lunchbox.

A family will gather around dinner.

A stranger will wear cotton that grew in his fields.

And even if they never know his name,
he'll sleep at night knowing he gave the world
something real.

Not likes. Not followers.

But life - grown in dirt, watered with sacrifice, and
harvested with heart.

So here's to the farmers.

To the quiet hands that feed loud cities.

To the unseen, the unthanked, the unshaken.

May God bless every farmer out there—

Not just for what they grow,

but for the way they keep this world turning.

Stratton - A Great Place to Grow

YOUR GIFTS AT WORK: UNDERSTANDING THE TWO COMMUNITY FUNDS

Stratton is fortunate to have two groups working to make giving easier and more impactful. Each has a unique purpose, but both share the same goal: to strengthen our town for generations to come.

Here is a comparison of the Stratton Community Fund Drive and the Stratton Community Foundation Fund.

Stratton Community Fund Drive

The **Stratton Community Fund Drive** is a yearly campaign that meets immediate local needs. Committee members reach out by mail or door-to-door to gather contributions.

This fund has helped provide emergency support for families after floods, accidents, or unexpected medical travel expenses, as well as community projects like Christmas food baskets for those in need. Because there are no applications or paperwork, neighbors can step in and fill a need right away.

Several local groups also depend on the Fund Drive each year to keep their programs running or make important improvements. In many ways, it helps cover the things we all value but may not fund directly in our own budgets — keeping Stratton a strong and thriving village.

HOW IT WORKS

- **Annual drive:** fund-raising campaign is by mail and door-to-door
- **Supports needs:** local organizations and families in need are supported financially
- **Distribution of funds:** Funds to designated organizations are distributed right after the campaign
- **Impact:** An average of \$14,000 given each year to local organizations and families in need

COMMITTEE MEMBERS

Rich Bernt	Joyce Forch	

Stratton Community Foundation Fund

The **Stratton Community Foundation Fund (SCFF)**, founded over 30 years ago by local leaders, builds charitable giving, grows an unrestricted endowment, and awards grants to local projects. Through the Hunt Matching Challenge (Nebraska Community Foundation), SCFF secured gifts that are permanently invested to support Stratton.

Each year, an endowment payout provides scholarships and grants, while the principal continues to grow — ensuring lasting support for our community for generations.

HOW IT WORKS

- **Donor Contributions:** Gifts can be made by cash, check, securities, IRA RMDs, stocks, ag commodities, or online.
- **Grant Funding Applications:** Local organizations can fill out the application to apply for funding reviewed monthly.
- **Impact:** Over \$120,000 has been granted to local charitable projects.
- **Scholarships:** \$34,000 has been awarded to 47 students (traditional & nontraditional) since 2009.
- **Forever Funds:** Our unrestricted endowment ensures lasting support for future generations.

Your Contribution Matters

Whether you give through the Stratton Community Fund Drive or the Stratton Community Foundation Fund, your support makes a difference. Every gift—large or small—helps strengthen our community, now and for generations to come. Together, these funds ensure Stratton remains a vibrant, welcoming place to live, work, and grow.

Chamber Thank you...

Thank you to everyone who came out and made Stratton Days 2025 a success! A special thank you to all the fabulous volunteers, without your hours of hard work, none of this would be possible. We had an incredible turnout this year. The sheer number of events that were planned and executed by various groups, businesses, and individuals is a testament to the dedication and love people have for Stratton. We are always looking for more volunteers, if you are interested in making 2026 a year to remember, reach out to a member of the Stratton Area Chamber or Stratton Recreation Club.

Thank You for Supporting the Swimming Pool Bake Sale!

The Stratton Swimming Pool group would like to extend a heartfelt thank you to everyone who supported our recent bake sale at the Stratton Days vendors in the park. With your generosity, we raised **\$445.92!**

These funds are the first step toward our goal of installing **safe, accessible stairs** at the pool. Currently, swimmers rely on ladders to enter and exit the water, but stairs will make it much easier and safer for people of all ages to enjoy the pool. The total cost of the project is approximately **\$7,000**, and with your help, we are on our way!

We plan to host more fundraisers in the near future and hope to have the stairs in place for the **2026 pool season**. Every dollar raised brings us closer to making this important improvement a reality.

If you would like to make a donation toward the pool stairs project, contributions can be sent to:

THE CHAPLAIN'S CORNER

Galatians 4: 16; "Have I therefore become your enemy because I tell you the truth?" I recently heard a pastor use this scripture in a sermon. Paul asked this question as he wrote this letter to the church in Galatia, (Modern day Turkey). As Jesus spoke the truth the Sanhedrin, (Jewish Government) plotted to kill Him. As we go down through the ages of history, we see that wherever and whenever the truth of the gospel is spoken, there is violence against it. The reason being, there is no winning argument against it, so, if you hear the truth and don't want to accept it, anger arises and, in some cases, violence erupts.

We often hear people pray for peace or as Psalm 122 says pray for the peace of Jerusalem and I often wonder if these people realize that the only true peace that exists is in the hearts of those that have accepted Jesus as their Savior. Without that, fear crops up everywhere and there is no peace.

Many of the young people of our time are beginning to find truth and salvation in Jesus and are starting to realize the junk that the left has been feeding them is just that, junk. They are finding that there is no peace in drugs and drinking, no peace in promiscuous sex and abortion or in the trans gender and homosexual movement. Thank God for that. I look at some of the things our colleges and universities are feeding our kids, and I wonder why parents keep sending their precious children there to be brainwashed. Colleges need to be carefully checked out before you send your kids there. There are far more liberal professors than conservative. Taking a quick look on the internet it's about 65% liberal to 15% conservative.

I hadn't followed Charlie Kirk at Turning Point and was amazed at what he had accomplished at the college level. Because of him a lot more people know about conservative politics and a lot more follow Jesus. We all need to be more outspoken about our faith in Jesus, and we need to share His love for others. We are at a point in our nation where we are going to have to take a stand for freedom and a stand for Christianity. Silence is the quickest road to destruction, but if you share Jesus with your neighbor and they receive Him as their Savior you have had a part in their eternal destiny.
